Credit Card Processing

Credit card acceptance is a necessity for today's merchants, and First American Payment Systems makes it quick and easy for you. First American supports the latest point-of-sale equipment on networks that process billions of dollars in credit card transactions each year. No matter your size or industry, First American has competitively priced credit card processing solutions to help your business succeed.

First American will be there for you when you need us. Our highly trained, multi-lingual Merchant Services Team is ready to assist you 24 hours a day, 7 days a week. You'll also receive superior service from our knowledgeable Chargeback and Retrieval Department, which is available to help you prevent and resolve any chargeback issues you may encounter. Plus, when you're ready to expand your customer payment options, we offer you a complete line of additional products and services, all developed and supported exclusively for First American merchants.

Credit card processing — the foundation of First American Payment Systems!

We process credit card transactions for:

- Retail
- Retail with Tips
- Restaurant
- Lodging
