

FirstFund™

FirstFund™ ACH software allows you to automatically transfer payments to and from your bank account without the hassle of preparing invoices, handling checks, or going to the bank. FirstFund™ installs easily onto your computer and can be used as a one-time billing method or for recurring payments. It is ideal for gym memberships, clubs/associations dues, daycare or private school tuition payments, dentists' offices, or any other business seeking to electronically invoice and receive customers' payments. FirstFund™ provides secure, efficient ACH payment processing so that you can focus on other aspects of your business.

Why FirstFund™ ACH?

- Bill and collect payments from your customers automatically
- Receive funds within 24 hours
- Save time by no longer preparing invoices or handling checks
- Save money by no longer paying for expensive postage to mail your invoices
- Customers often prefer to have regular payments automatically deducted from their bank accounts

Advantages of FirstFund™:

- ▶ Fast – Funds are debited or credited to your account one business day after you submit the ACH file
- ▶ Secure – ACH files are uploaded through our password protected FirstFund ACH Gateway
- ▶ Convenient – There's no need to fill out time-consuming paperwork at the bank. Your funds are transferred automatically

FirstFund™ ACH — another powerful product from First American Payment Systems!
